Hi!
Your files are encrypted by Netwalker.
All encrypted files for this computer has extension: .e76748

--

If for some reason you read this text before the encryption ended,
this can be understood by the fact that the computer slows down,
and your heart rate has increased due to the ability to turn it off,
then we recommend that you move away from the computer and accept that you
have been compromised.
Rebooting/shutdown will cause you to lose files without the possibility of
recovery.

--

Our encryption algorithms are very strong and your files are very well
protected,
the only way to get your files back is to cooperate with us and get the
decrypter program.

Do not try to recover your files without a decrypter program, you may damage
them and then they will be impossible to recover.

For us this is just business and to prove to you our seriousness, we will
decrypt you one file for free.
Just open our website, upload the encrypted file and get the decrypted file
for free.
